

PHOEBE LED PENDANT

FEATURES

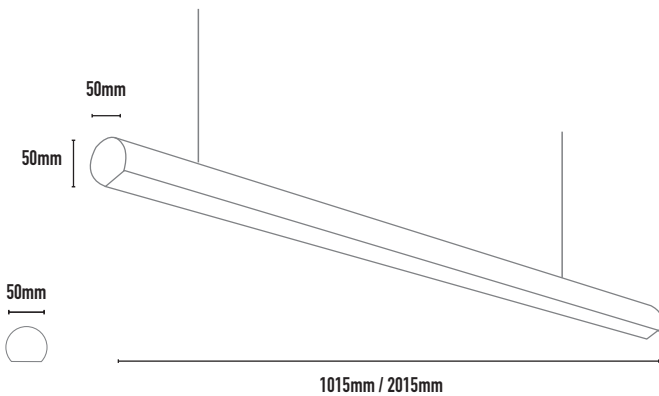

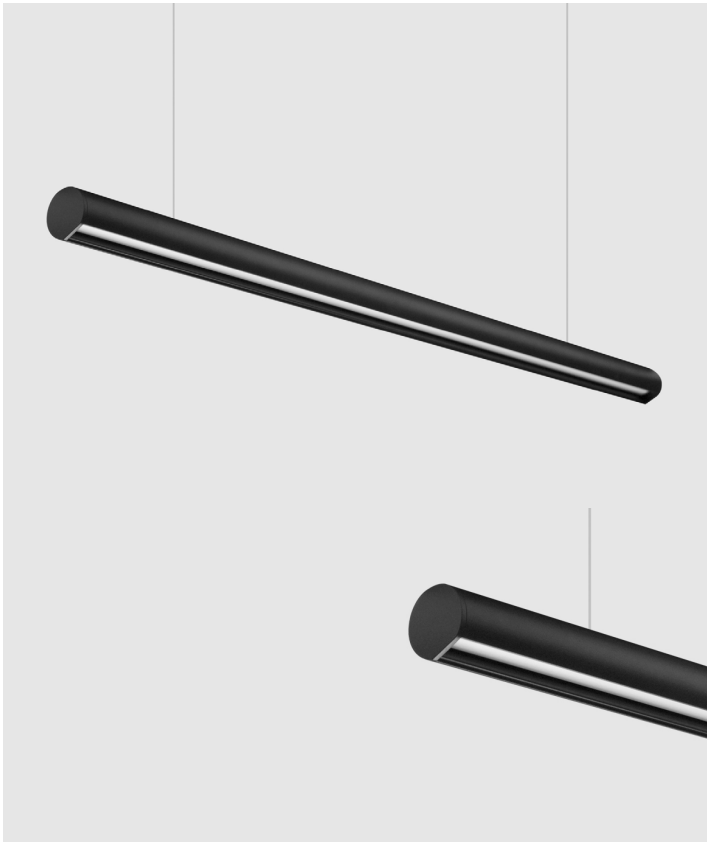

- Australian designed & manufactured
- Linear LED pendant lighting system
- Available in various colour temperatures
- Remote 24V constant voltage driver (low voltage power runs down suspension wires)
Note 2-3m length requires x3 suspension wires
- Ideal for residential, hospitality and commercial applications
- Custom lengths available on request.

COLOUR

- Black -2
- White -3
- Silver -6

DRIVER OPTIONS - SPECIFY

HLG24-040	40W 24V constant voltage dimmable with potentiometer
HLG24-080	80W 24V constant voltage dimmable with potentiometer
LCU100/24	100W 24V constant voltage non-dim
LCA100/24	100W 24V constant voltage DSI / DALI switch dim *dimming range 1-100%
