

PHOEBE LED PENDANT

UP & DOWN

FEATURES

- Australian designed & manufactured
- Linear LED pendant lighting system
- Available in various colour temperatures
- Remote 24V constant voltage dimmable driver (HLG24-040 / HLG24-080)
- No external power cable required (low voltage power runs down suspension wires)
- Note 2-3m length requires separate power cable.
- Ideal for residential, hospitality and commercial applications
- Custom lengths available on request

COLOUR

- Black -2
- White -3
- Silver -6

DRIVER OPTIONS - SPECIFY

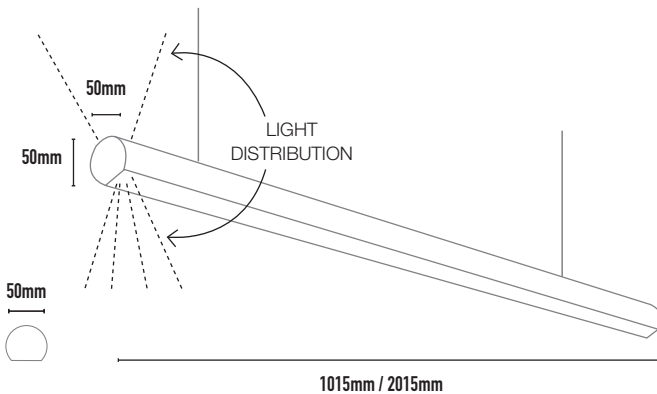

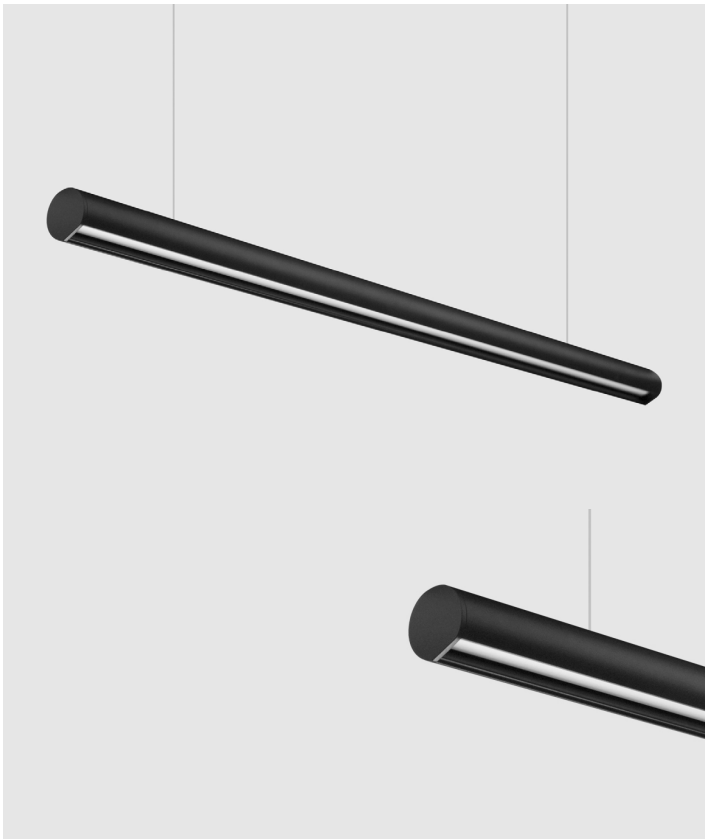

Non-dimmable driver LCU-100/24v constant voltage -100w

Dimmable driver HLG-24v constant voltage -120w (dimmable with a potentiometer)

DALI dimmable driver LCA-10024vDC - 100w 24V

Constant voltage DSI/DALI

Switch dim dimming range 1-100%
