## ROUND & SQUARE MOUNTING OPTIONS

Masson inhouse standard  
powder coat colour range below

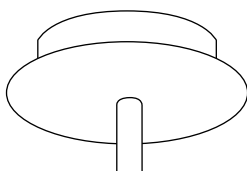

- 2** Black
- 3** White
- 6** Silver
- 7** Bronze
- 9** Brass

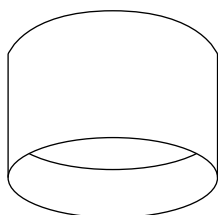

## SMALL SURFACE MOUNTED ROUND CANOPIES

**CP80** Surface mounted ceiling plate complete with internal terminal block ideal for solid ceilings or cavity ceilings. spotlights and pendant mounting 240v or 12V-24V.  
**Application:** spotlights and pendant mounting 240v or 12V-24V.  
**Dimensions:** 80mm Ø x 25mm height.  
**Code:** CP80 (specify colour)

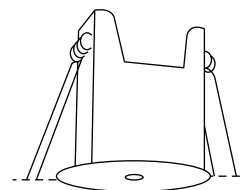

**TBRD 116** Surface mounted ceiling plate complete with internal terminal block ideal for solid ceilings or cavity ceilings. spotlights and pendant mounting 240v or 12V-24V.  
**Application:** spotlights and pendant mounting 240v or 12V-24V.  
**Dimensions:** 116mm Ø x 27mm height.  
**Code:** TBRD116 (specify colour)

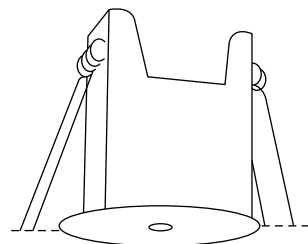

**CBRD100** Surface mounted ceiling plate complete with internal terminal block ideal for solid ceilings or cavity ceilings. spotlights and pendant mounting 240v or 12V-24V.  
**Application:** spotlights and pendant mounting 240v or 12V-24V.  
**Dimensions:** 100mm Ø x 60mm height.  
**Code:** CBRD100 (specify colour)

## SMALL FLAT ROUND RECESSED CANOPIES

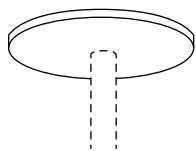

**CD65** Surface/recessed flat ceiling plate ideal for cavity ceilings complete with terminal block and mouse trap springs fixings. spotlights and pendant mounting 240v or 12V-24V.  
**Application:** spotlights and pendant mounting 240v or 12V-24V.  
**Dimensions:** 65mm Ø x 75mm depth - 60mm Ø cutout.  
**Code:** CD65 (specify colour)

**CD90** Surface/recessed flat ceiling plate ideal for cavity ceilings complete with terminal block and mouse trap springs fixings. spotlights and pendant mounting 240v or 12V-24V.  
**Application:** spotlights and pendant mounting 240v or 12V-24V.  
**Dimensions:** 90mm Ø x 75mm depth - 60mm Ø cutout.  
**Code:** CD90 (specify colour)

## SMALL FLAT MOUNTED ROUND CANOPIES

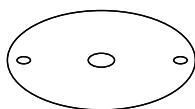

### CD Magnetic trim 70

**CDMAG70** Surface mounted flat ceiling plate with x2 counter sunk screw fixings and magnetic cover plate.

**Application:** pendant only mounting 240v or 12V-24V.

**Dimensions:** 70mm Ø x 5mm depth.

**Code:** CDMAG70 (specify colour)

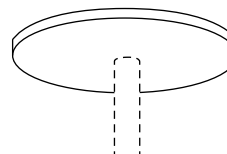

**CD65CSK** Surface mounted flat ceiling plate ideal for cavity ceilings/ walls complete with x2 counter sunk screw fixings.

**Application:** spotlights and pendant mounting 240v or 12V-24V.

**Dimensions:** 65mmØ x 2mm depth.

**Code:** CD65CSK (specify colour)

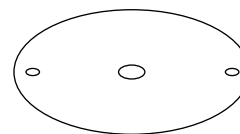

### CD Magnetic trim 97

**CDMAG97** Surface mounted flat ceiling plate complete with x2 counter sunk screw fixings and magnetic cover plate.

**Application:** pendant only mounting 240v or 12V-24V.

**Dimensions:** 97mm Ø x 5mm depth.

**Code:** CDMAG97 (specify colour)

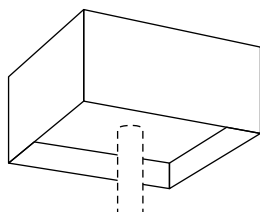

**CD90CSK** Surface mounted flat ceiling plate ideal for cavity ceilings/ walls complete with x2 counter sunk screw fixings.

**Application:** spotlights and pendant mounting 240v or 12V-24V.

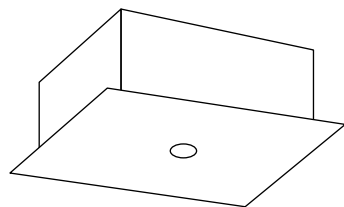

**Dimensions:** 90mmØ x 2mm depth.

**Code:** CD90CSK (specify colour)

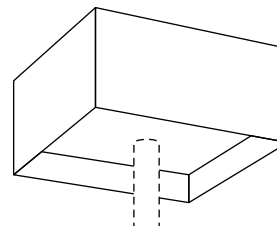

## SMALL SURFACE MOUNTED SQUARE CANOPIES

**CBSQ80** Surface mounted ceiling plate complete with internal terminal block ideal for solid ceilings or cavity ceilings. spotlights and pendant mounting 240v or 12V-24V.  
**Application:** spotlights and pendant mounting 240v or 12V-24V.  
**Dimensions:** 80x80mm Ø x 60mm height.  
**Code:** CBSQ (specify colour)

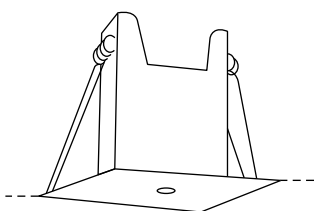

**TBSQ 120** Surface mounted ceiling plate complete with internal terminal block ideal for solid ceilings or cavity ceilings. spotlights and pendant mounting 240v or 12V-24V.  
**Application:** spotlights and pendant mounting 240v or 12V-24V.  
**Dimensions:** 120mm x 120mm x 60mm height.  
**Code:** TBSQ120 (specify colour)

**CBSQ106** Surface mounted ceiling plate complete with internal terminal block ideal for solid ceilings or cavity ceilings. spotlights and pendant mounting 240v or 12V-24V.  
**Application:** spotlights and pendant mounting 240v or 12V-24V.  
**Dimensions:** 106 x 106mm Ø x 60mm height.  
**Code:** CBSQ2 (specify colour)

## SMALL FLAT SQUARE RECESSED CANOPIES

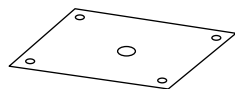

### **CDSQ80**

Surface mounted flat ceiling plate ideal for cavity ceilings complete with terminal block and mouse trap springs fixings.

**Application:** spotlights and pendant mounting 240v or 12V-24V.

**Dimensions:** 80mmx80mm x 75mm depth - 60mm Ø cutout.

**Code:** CDSQ80 (specify colour)

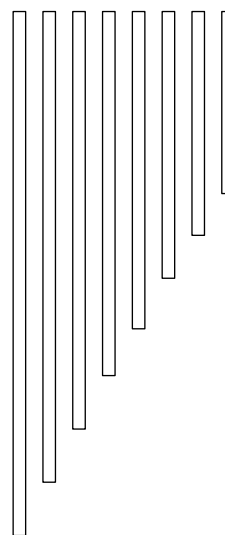

### **CDSQ80S**

Surface mounted flat ceiling plate ideal for cavity ceilings/ walls complete with x2 counter sunk screw fixings.

**Application:** spotlights and pendant mounting 240v or 12V-24V.

**Dimensions:** 65mmØ x 2mm depth.

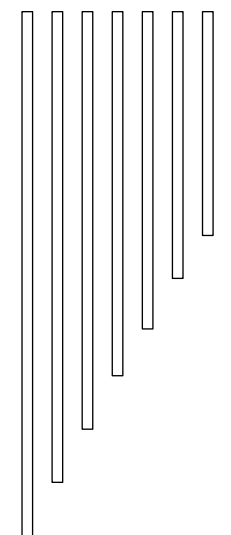

**Code:** CD65CSK (specify colour)

### **Lamp droppers 10mmØ**

100mm - 1500mm

**Code:** LD nom

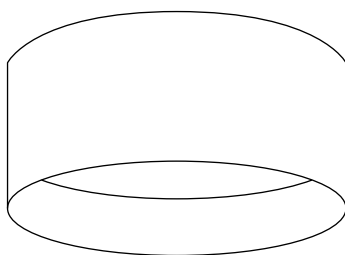

### **Lamp droppers 13mmØ**

100mm - 1500mm

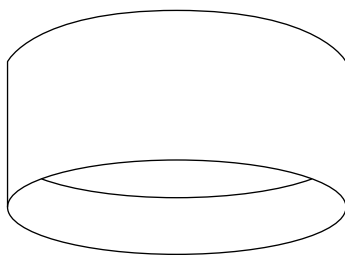

**Code:** LD - nom -13

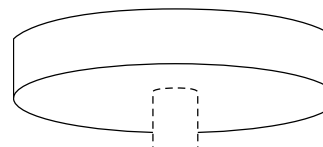

## LARGE SURFACE MOUNTED ROUND CANOPIES

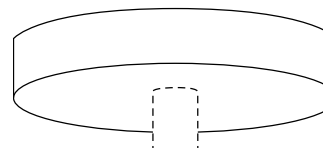

**CBRD150** Surface mounted ceiling plate complete with internal terminal block ideal for solid ceilings or cavity ceilings.  
**Application:** Pendant mounting 240v or 12V-24V.  
**Dimensions:** 150mm Ø x 60mm height.  
**Code:** CRD150 (specify colour)

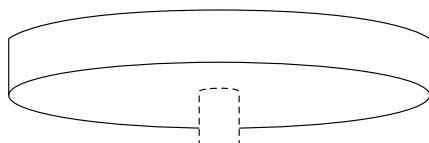

**CBRD150/2** Surface mounted ceiling plate complete with internal terminal block ideal for solid ceilings or cavity ceilings.  
**Application:** Pendant mounting 240v or 12V-24V.  
 Available various hole patterns and combinations 1 to 3  
**Dimensions:** 150mm Ø x 60mm height.  
**Code:** CBRD2  
 (Specify number of holes required: 2-3)  
 (specify colour)

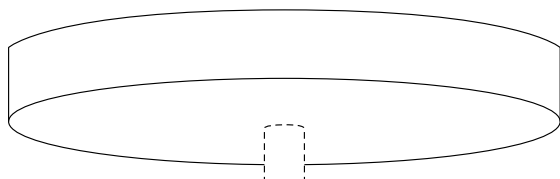

**CP145** Surface mounted ceiling plate complete with internal terminal block ideal for solid ceilings or cavity ceilings.  
**Application:** spotlights and pendant mounting 240v or 12V-24V.  
**Dimensions:** 145mm Ø x 25mm height.  
**Code:** CP145 (specify colour)

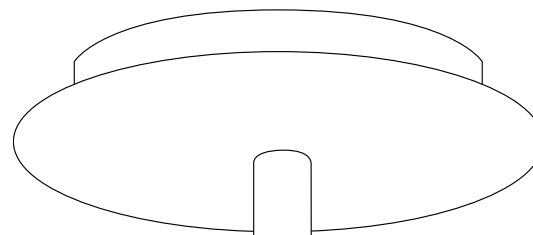

**CP5** Surface mounted ceiling plate complete with internal terminal block ideal for solid ceilings or cavity ceilings.  
**Application:** spotlights and pendant mounting 240v or 12V-24V.  
 Available various hole patterns and combinations 1 to 3  
**Dimensions:** 145mm Ø x 25mm height.  
**Code:** CP5  
 (Specify number of holes required: 2-3-4-5-6-7-8-9)  
 (specify colour)

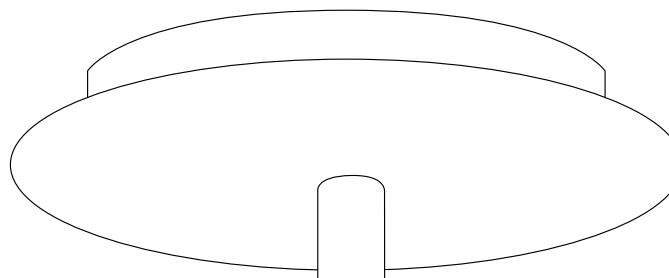

**CP250** Surface mounted ceiling plate complete with internal terminal block ideal for solid ceilings or cavity ceilings.  
**Application:** spotlights and pendant mounting 240v or 12V-24V.  
 Available various hole patterns and combinations 1 to 3  
**Dimensions:** 250mm Ø x 25mm height.  
**Code:** CP250 (specify colour)

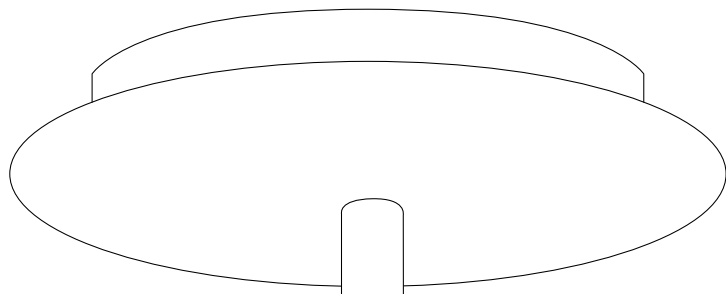

**CP300** Surface mounted ceiling plate complete with internal terminal block ideal for solid ceilings or cavity ceilings.  
**Application:** spotlights and pendant mounting 240v or 12V-24V.  
 Available various hole patterns and combinations 1 to 10  
**Dimensions:** 300mm Ø x 25mm height.  
**Code:** CP300  
 (Specify number of holes required: 1-2-3-4)  
 (specify colour)

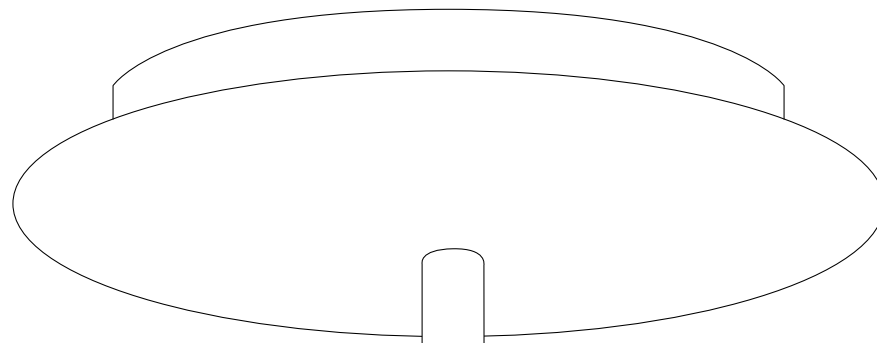

**TBRD280** Surface mounted ceiling plate complete with internal terminal block ideal for solid ceilings or cavity ceilings.  
**Application:** spotlights and pendant mounting 240v or 12V-24V.  
 Available various hole patterns and combinations 1 to 3  
**Dimensions:** 280mm Ø x 25mm height.  
**Code:** TBRD280  
 (Specify number of holes required: 1-2-3-4)  
 (specify colour)

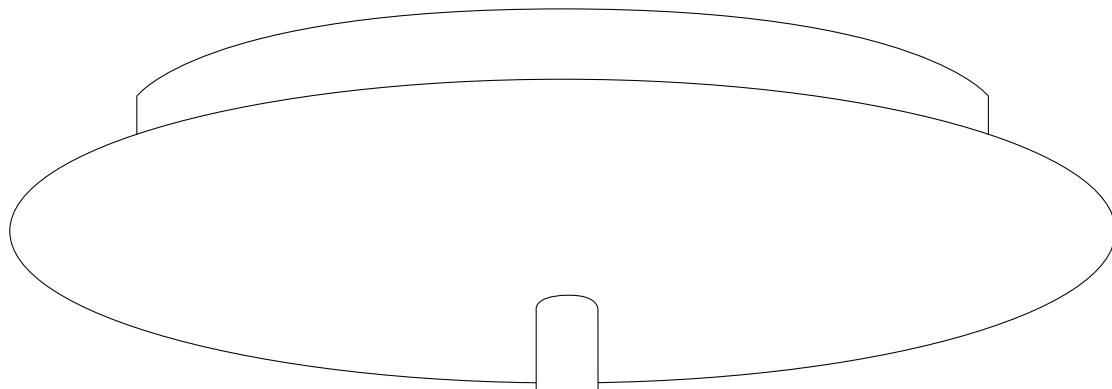

**TBRD 350** Surface mounted ceiling plate complete with internal terminal block ideal for solid ceilings or cavity ceilings.  
**Application:** spotlights and pendant mounting 240v or 12V-24V.  
 Available various hole patterns and combinations 1 to 10  
**Dimensions:** 350mm Ø x 25mm height.  
**Code:** TBRD350  
 (Specify number of holes required: 1-2-3-4-5)  
 (specify colour)

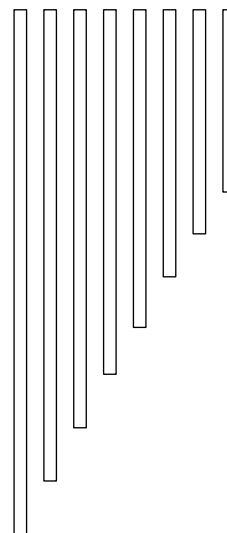

**TBRD 415** Surface mounted ceiling plate complete with internal terminal block ideal for solid ceilings or cavity ceilings.  
**Application:** spotlights and pendant mounting 240v or 12V-24V.  
 Available various hole patterns and combinations 1 to 10  
**Dimensions:** 415mm Ø x 25mm height.  
**Code:** TBRD415  
 (Specify number of holes required: 1-2-3-4-5)  
 (specify colour)

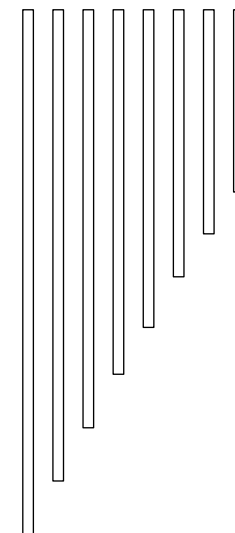

**TBRD 600** Surface mounted ceiling plate complete with internal terminal block ideal for solid ceilings or cavity ceilings.  
**Application:** spotlights and pendant mounting 240v or 12V-24V.  
 Available various hole patterns and combinations 1 to 10  
**Dimensions:** 600mm Ø x 25mm height.  
**Code:** TBRD 600  
 (Specify number of holes required: 1-2-3-4-5-6-7-8-9-10)  
 (specify colour)

**TBRD 700** Surface mounted ceiling plate complete with internal terminal block ideal for solid ceilings or cavity ceilings.  
**Application:** spotlights and pendant mounting 240v or 12V-24V.  
 Available various hole patterns and combinations 1 to 10  
**Dimensions:** 700mm Ø x 25mm height.  
**Code:** TBRD 700  
 (Specify number of holes required: 1-2-3-4-5-6-7-8-9-10)  
 (specify colour)

**Lamp droppers 10mmø**  
 100mm - 1500mm  
**Code:** LD nom

**Lamp droppers 13mmø**  
 100mm - 1500mm  
**Code:** LD - nom -13
